including Dt Hospital Tumkur as a training Centre for midwives

Continuation Sheet. File No. Current No. 4160 of Page.

from C.M.O

C 807-3 dated 19.1.44.

Jds resolution of Dt Bd Tumkur agreeing to pay two stipends of Rs 15/ each to candidates for midwifery training at the Dt Hospital Tumkur and request sanction to treat the Dt Hospital Tumkur also as a training Centre and to extend the concession of free training to the institution also subd with letters.

1) The Dt Hospital Tumkur was also proposed by the C.M.O. to made a training Centre but the S.S. was of opinion that there may not be sufficient material. As the Dt Bd Tumkur is willing to pay two stipends of Rs 15 for the training at the Dt Hospital Tumkur, the C.M.O. States that it is necessary to accept the proposal and extend the orders relating to training of midwives for villages to the institution also. She adds that there is sufficient material as about 300 labour cases are conducted in the Maternity Section annually. For orders.

4:2 To The C.M.O., S.S. and Comptr.
No. M 8220-3 dated 22.3.44
Sanctions the proposal vide ol:1.
From C.M.O. Women's Hospitals
C 807-4 dated 10.3.44
Recommends for reasons stated that the no. of
Scholarships be increased by 15 at the places
indicated at-Rs 10 each involving a cost of
Rs 150 p.m. or Rs 1800 per year and that as it
is difficult to get the required no of candidates
who have read up to Lower Secondary the qualification
may be fixed at a knowledge of how to read and write
Kannada preference being given to those who have
read up to L. Secondary.

10 Subd. The C.M.O. proposes to increase the no
of scholarships of Rs 10 each for candidates undergoing
training under the Scheme with a view to
secure a larger no of candidates. This
costs Rs 150 p.m. or Rs 1800 per year. The
allocation of Scholarships is as follows:—

1. Ch. Hospital Hassan		
3 at-Rs 10	30	✓
2. Maternity Hospital Chikmagalur		
3 at Rs 10	30	✓
3. Maternity Hospital Davangere	30	✓
3 at Rs 10		
4. District Hospital Tumkur	60	✓
6 at-10	Rs 150 p.m.	

The Dt Bd Tumkur are agreeable to pay his Stipends of
Rs 15/ each for the training at the Dt Hospital Tumkur.
The C.M.O has not referred to this. It is proposed

Scheme of training rural midwives

Continuation Sheet. File No. 4999 Current No. Med 126 of 43 Page.

to have provision made under "Medical School Scholarships" for the entire cost from 1944-45. This is for adv.

11) This is also proposed to fix the qualification at a lower level viz a knowledge of how to read & write Kannada. At present, a study up to Jug G Lower Secondary has been fixed. This is also for adv.

Shall 13/4/44

12) Please put up the file leading to the issue of G.O. dt 19th May 1943 to see why the qualification was fixed at 'up to 4th Course'

Not clear

Called. The file Med 163-42-25 not available. Not countermarked. Shall 12/4/43

13) The two proposals made by the Govt are as follows:-

(1) to increase the number of stipends of the value of Rs 60/- pm by 15 at 4 distribute them to the training places as noted below:

1 Hassan. 3 (3) Davanagere
(2) Chikmagalur 3 (4) Tumkur 6

The extra cost per annum is Rs 450/- from 1944-45 & this was not provided in the budget. In view of the need for trained midwives in health centres & other places, the proposal of the Govt may be agreed to.

(2) The other proposal is to Abrogate the lowering of the qualification from Lower Secondary Course to a pass in

14)

Scheme of training rural midwives.

GOVERNMENT OF MYSORE

No. C-807-3
Encls. One

OFFICE OF the Chief Medical Officer,
Women's Hospitals in Mysore,
Bangalore.

Date 19-1-1944.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Law Department, Bangalore.

Sir,

In forwarding herewith a copy of extract from the resolution passed by the District Board, Tumkur, at its meeting held on 21-12-1943 agreeing to pay two stipends of the value of Rs.15/- each to the candidates for undergoing training in Midwifery at the District Hospital, Tumkur, and to serve as a midwife in the same district after passing I have the honour to state that in view of the increasing demand for midwives in rural places, it is necessary that the proposal of the District should be accepted. This institution is not treated as a training centre for midwives as in the case of the*marginally noted District Headquarter places, which are treated as training centres in accordance with Government Order No.G.13631-54/Med.163-42-2 dated 19-5-1943. While submitting my proposals to Government to treat the*marginally noted District Headquarter places as training centres, I had recommended the District Hospital, Tumkur also to be treated as a training centre. But, for some reason or the other, this district was excluded for treating it as a training centre. About 300 labour cases are conducted yearly in the Maternity Section of this hospital and therefore there is proper material for being treated as a training centre. I request you, therefore, to be so good as to accord sanction of Government to treat this institution also as a training centre for midwives for villages subject to same conditions specified in the Government Order dated 19-5-1943 referred to above to enable me to permit the candidates to be deputed by the District Board for undergoing training.

* 1.Sri Chamarajendra Hospital, Hassan.
2.Maternity Hospital, Chikmagalur.
3.Maternity Hospital, Davanagere.
4.McGann Hospital, Shimoga.

(P.T.O.)

x The concession of free training for a period of five years allowed to the private candidates in Government Order No.G.2392-5/Med.51-43-2 dated 23-8-1943 may also be kindly made applicable to this institution also.

Allotment of a few Government Scholarships to this institution also as in the case of other institutions is under my consideration and action will be taken if found necessary

I have the honour to be,
Sir,
Your most obedient servant,

CHIEF MEDICAL OFFICER.

OFFICE OF
the Chief Medical Officer,
Women's Hospitals in Mysore,
Bangalore.

Date 10th March 1944.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Law Department, Bangalore.

SECY. LAW DEPT. 10 MAR 1944 GOVT OF MYSORE

Sir,

In continuation of my letter No.C.807-3 dated 19-1-1944, explaining the necessity of training more midwives in district headquarter places and requesting to treat the District Hospital, Tumkur, also as a training centre in addition to the four other district headquarter places noted therein and stating that action will be taken to request Government to allot a few scholarships to the District Hospital, Tumkur also, I have the honour to state that in view of the increasing demand for midwives in rural areas and with the introduction of Rural Drive Scheme, it is found absolutely necessary to train more midwives, as the present number of midwives undergoing training in district headquarter places are found to be quite inadequate. I need not express the difficulty experienced in securing the services of midwives for villages, as it has already come to the notice of Government.

At present, three scholarships have been allotted to each of the marginally noted institutions in district headquarter places. This number is found to be quite inadequate to secure the required number of midwives to villages in view of the increasing demand.

1. Sri Chamarajendra Hospital, Hassan.
2. Maternity Hospital, Chickmagalur.
3. Maternity Hospital, Davanagere.
4. McGann Hospital, Shimoga.

To overcome the difficulty in securing the services of midwives and to increase more maternity help, which is quite insufficient at present, I would suggest to train more midwives in districts.

I request you, therefore, to be so good as to accord sanction of Government for increasing the present number of scholarships at Rs.10/- per mensem allotted to the places noted in the margin above, from three to six except for Shimoga, which has six scholarships (three scholarships payable from General Revenues and three payable from Malnad Improvement funds are already attached to this institution).

My proposal to treat the District Hospital, Tumkur, also as a training centre is already under consideration of Government and the same number i.e., six scholarships of the value of Rs.10/- each may kindly be allotted to this institution also.

The qualification prescribed for the candidates to undergo training in these district headquarter places is a study up to Lower Secondary in accordance with Government Order No.G.13631-54/Med.163-42-2 dated 19-5-1943. During my tour on annual inspections, many of the candidates interviewed me in connection with their training in Midwifery. Although they had not read up to Lower Secondary, many of them were found to be quite fit for the training as they knew quite well how to read and write Kannada. These candidates could not be taken for training as they had not studied up to Lower Secondary.

In District headquarter places, it is rather difficult to get the required number of candidates who have read up to Lower Secondary. I would, therefore, suggest that as regards the qualification, it is sufficient if these candidates know how to read and write Kannada well, preference being given to those who have studied up to Lower Secondary.

The whole proposal involves an additional expenditure of Rs.1,800/- per annum, as detailed below and an additional grant to this extent may kindly be sanctioned for this purpose beginning from the year 1944-45 under "Medical School Scholarships".

1. Sri Chamarajendra Hospital, Hassan. (Three additional Scholarships at Rs.10/- each).	Rs.30--0-0.
2. Maternity Hospital, Chickmagalur. (Three additional Scholarships at Rs.10/- each).	30--0-0.
3. Maternity Hospital, Davanagere. (Three additional Scholarships at Rs.10/- each	30--0-0.
4. District Hospital, Tumkur. (Six scholarships at Rs.10/- each	60--0-0.
Total. per mensem.	Rs. 150--0-0.
per annum.	Rs.1800--0-0.

As the training of the next batch of students begins from 1st July 1944, I solicit early orders of Government to enable me to call for applications from candidates.

I have the honour to be,

Sir,

Your most obedient servant,

CHIEF MEDICAL OFFICER.
